OFFICE -In the new Post Office Building, Merchant Street, Honolulu, H. L.

If I Should Die To-night.

If I should die to-night, My framin would book upon my quiet face Below they had it in its resting place, and does that death had left it almost fair; And, buying snow-white flowers against my half-Would smooth it down with tracful tenderness, And fair my break with linguing ourses. For her fe, we empty and so cold to night? If I should die to-night,

My friends would call to mind, with loving thought, Some kindly dead the bry hand had wrought; Rome gentle word the frozen lips bad said; Broads on which the willing feet had sped : The memory of my self-in-My hearly words, would all be put saide And so I should be loved and mourued to-night

If I should die to-night, Even hearts setrosped would turn once more to me, Benefiting other days remorastial Would risk upon me as of yers, perchance, And either, in the old, familiar way, For who could war with danch, preconcious clay?

Oh, friends, I pray to night, Keep and your kisses for my sleed, cold brow. Think gently of my; I on travel-worn; My fallering fact are pierced with many a thern Forgive, sk, boarts estronged, forgive I plead? When disentess rest is mire I shall not need. The ten imposs for which I imp to night.

Variety.

A sick man, who started from Michigan for Minnsenta, recently, took a coffin with him. He med on the way, was put into his coffin and shipped buck to his home in Michigan .

The rain of most men dates from some vacant hour. Occupation is the armor of the soul. There is a satirical poem in which the devil is represented as fishing for men, and fitting his bait to the taste and business of his prey; but the scier, he said, gave him no trouble, as he tat the

The funniest strike of all is that of the beggars of Treves, Prussia. They have been in the habit of getting a dole for praying on a fixed day for the prosperity of the town, and, with the rise in the prices of provisions, they rose in price, demanding double their former remuneration; and, as the salvation of the city couldn't be compromissid, the authorities acceded to their demand.

A. Philadelphia surgeon was called, the other day, to a house up town, to amputate the leg of a woman. He is a near-sighted man; and when he reached the house he got into the wrong room. and calcily sawed off the limb of the servant gir. the poor child fainted after pulling that great dog who was a German, and who had come over two out of the water." days below, and who thought it was one of the

A. J. Alexander, of Woodburn, Woodford county. Ky., recently sold a two-year-old herfer poor girls have to resort to artifice." knows as The Duchess of Aidrie XV., to go to England, for \$10,000, which may be regarded as a sun not very far below her value. She is said to be "a beautiful specimen of a beautiful rare," it not enough for "hubby" without any outside and it appears that the English breeders, having | belp. heretefore parted with all their fluest cattle, are now determined to have some of them back at | while repairing a front tooth for a pretty woman any price.

A London correspondent tells a new story of the Shit. The king of kings was very much long time. been said that a live donker could be bought for prettiest ever was-to its mother. £1, and if that were true, £160 was too much to pay for three painted ones.

He careful how you go to sleep at an auction. A gentlemen settled himself in a comfortable chair, and his senses snothed by the auctioneer's lallsby, soon dropped aslesp. When his map was over he left the place. The next day he was astounded at the receipt of a bill for several hun-The suctioneer had received his somniferons node for hids.

It is not the seeing of one's friends, the having them within reach, the bearing of and from them, that make them ours. Many a one has all that, and yet has nothing. It is believing in them, the depending on them, assured that they are true, and good to the core, and therefore could not but be good and true towards everybody else, cornelves included-eye, whether we deserve it

The Danbury News man has returned, and mentions this incident : "A round-shouldered and inquisitive stranger kicked an ornamental dog on a Nelson street stoop to see if it was solid or hollow. It was not an ornamental dog, however, but one that was there on business, and the roundshouldered and inquisitive stranger is now quarantined with an aunt on Delay street."

A selent but veritable revolution has taken place in the English fashionable world. Hitherto It has been the practice, when friends or acquaintsaces were about leaving town, to call on one another, and leave a card with the letters, in pen- have forwarded to Gov. Hendricks a petition set ell. "P. P. C." At present if that missive be left by the owner, and no departure takes place county, recently gave birth to four children at a within eight days, no umbrage is to be taken; time, and praying that such steps be taken as will but it a formight or a mouth clapses and there is no prospect of the departure, the "P. P. C." is and to each of the children a section of governto be accepted as a notice to quit all visiting -a ment lands. decision at definite and unchangeable as the laws of the Medes and Persians.

There is at least one person in the world who believes that earthly treasures may be taken into another sphere. A diabolical small boy in Detruit sent a helited kite op into the air the other evening, thereby arousing the wild fears of divers persons, who regarded the phenomenon they goold not explain as a sign of the immediate dissolution of the world. Some of them were found praying on their kness in the back yards, while the most frightened but prevident of all was an ern paper: "I know a woman who lives in a elderly Hibernian cook, who hastily began to

puck her trenk. Bearry Street.-Sleep obtained two hours before midnight, when the negative forces are in operation, is the rest which most recuperates the spatem, giving brightness to the eye and a glow to the cheek. The difference in the appearance of a person who habitually retires at 10 o'clock, and that of one who sits up entil 12, is quite remarkable. The tone of the system, so evident in the complexion, the clearness and sparkle of a notice of life in Vienna, expresses his deep adthe eye, and the softness of the lines of the fea- miration of the Viennese girls. "In fact, under pitch " by taking regular rest two hours before every third young lady one meets, one's heart | 12 e dock, and thereby obtaining the "beauty thumps down into one's boots. They are mostly eye, a sallowness of the skin, and an absence of hair and killing eyes, and the same remarks apdistinguishes the person who keeps late hours. | by appearance as I am here."

About Women.

A satirist says that modern society misses two lost arts "-conversation and blushing.

ture is said to have been Eve, because she was

One of the hardest trials of life is to shed tesrs at the news that your wife's great uncle had died and left her \$50,000.

There is a time for all things. The time to leave is when a young lady asks you what sort of a day it is for walking.

"I am now in the honeymoon of my widowbond," was the remark recently made by a young and happy widow in Paris.

There is a young lady in Yorkshire named Price who is six feet five inches high. People say there are women above price.

A woman on marrying needs to pray for one of two things in her husband—the love which GENERAL COMMISSION AGENT AND BROKER blinds, or the good nature which excuses.

Ninety-seven proud mothers went off mad at a prize baby show held in New Orleans recently, where ninety-eight specimens were exhibited.

A Louisville woman who has lived with a man for twelve years and presented him with five children, now sues him for breach of promise.

An old lady 191 years old tately walked 200 Town miles in one day, chopped 10 cords of wood, dug 50 bushels of potatoes, and then danced all Mrs. Scott of Omnha has had five husbands in

seven years, and is now without one. She is subject to spells of insanity, and she carries a Hawthorne paid a pretty compliment when he

said of Miss Bremer that she was "a most amiathe whole human race." An experienced old stager says, if you make love to a widow who has a daughter 20 years

younger than berself, begin by declaring that you thought they were sisters. An unreasonable woman in London wants a wine merchant there, named McOstrich, to pay

\$5,000 for writing 244 love letters to her and then cooling off in his rhetoric. An old lady was admiring the beautiful picture called "Saved." "Its no wonder," said she, " that

"I'm not in mourning," said a young lady frankly to a young lady querist "but us the widows are getting all the offers now-a-days, we

. The Pittsburgh girl has sent back those two barges of coal which her father gave her for a bridal present, and says she guesses she can make | s. s. castir.

A Troy dentist became emotionally insane and kissed ber. She told her husband, and he went round and borrowed \$500 of the dentist on

They tell of one Boston mother who says of the Oregan Packet Line.

The places with the paintings at the International They tell of one Boston mother who says of to be good that is not the Walpo Flan

There are experts on all manner of subjects in | J. S. WALKER. these days of litigation : A woman testified at Norwich the other day, in a turkey case, and de- Shipping and Commission Merchants, clared she knew these turkeys "by their walk, their countenance, and their manner of roosting.

A young lady living at Eau Claire, Wis., disappeared the other day, and after 300 people had searched for five hours, she was found sitting on dred dellars worth of carpets and other things. the bank of the river with her lover, squeezing bands and talking nonsense, as if nothing had happened.

Postmaster General Cresswell has written to the Prassian direction of posts on the subject of women in Government service. He reports seven hundred women employed in the postal department, five hundred of whom are postmistresses of

Senorita Angela Lozano were out six men in the City of Mexico, recently, in a competitive examination of candidates for the vacant professorship of English in the female college of Calle Santa Caterina. The victor is the first lady to fill such a position in Mexico.

Sue Mason, of Medison county, Ill., is described as one of the most exquisitely beautiful girls in the wide world. Four young men have drank themselves to death on Madison County beer within the last year on her account, and now a Mrs. Gaines is trying to show that Sue is in partnership with an Alton undertaker.

The commissioners of Tippecanoe county, Ind. ting forth that Mrs. Samuel Smith of Iroquois secure an appropriation to the father and mother

A citizen of Utica, who felt called on to re monstrate with a female neighbor for her severity in chastising her child, the other day, felt called on to close the interview, and to leave the house in about two minutes. It was observed that a mop, a dust brosh, two foot-stools, a pot of verbenas, a jar of pickles and the family dog followed closely after him.

The self-ascrificing nature of women is well illustrated in this extract from a letter to a Westcountry village. With a beart and brain alive to better things she stays there and, day after day, year after year, takes care of an idiot brother and for her reward has only vacant smiles and meaningless gibberish. It is such a half life, you say, it is vegetating ; you could not live so. Well perhaps so. But I imagine that it is a sort of vegetation that will bloom out gradually in the

sunshine of a second life." A correspondent of the Boston Globe, closing tures in a person of health, kept at "concert twenty-five there are no ugly ones; while for Hunanu Street, between Merchant and Queen sleep of the night. There is a heaviness of the fair, with the clearest of complexions, boautiful that give is the face which renders it fresh in ply equally for the servants. I have been in many ply equally for the servants. I have been in many capitals, but I was never so completely proetrated by appearance, that readily capitals, but I was never so completely proetrated by appearance as I am here. Servants is the person who keeps late hours.

DR. J. COLLIS BROWNE'S CHLORODYNE IS THE ORIGINAL AND ONLY GENUINE.

THE PUBLIC ARE CAUTIONED AGAINST The unfounded statements frequestly made, "that the composition of CHLRODYNE is known to Chemists and the Medical profession." The fact is, Chlorodyne was discovered and invented by Dr. J. COLLIS BROWNE (ex Army Medical Staff), and so named by him, and it has buffled all attempts at analysis by the first Chemists of the day. The method and secret of the preparation have never been published. It is obvious, therefore, that anything sold under the name, save Dr. J. COLLIS BROWNE'S CHLORODYNE, is a spurious imitation.

CAUTION.—Vice-Chanceller Sir W. P. Wood stated that Dr. Collis Browne was undoubtedly the inventor

of Chlorodyne.
REMEDIAL USES AND ACTION. REMEDIAL USES AND ACTION.

This invaluable rimedy predicts quiet, refreshing sleep, relieves pain, caims the system, restores the deranged functions, and stimulates healthy action of the secretions of the body, without creating, any of these unpleasant remilis attending the use of optime. Old and young may take it at all hours and times when requisite. Thousands of persons testify to its marvellous good effects and wooderful curse, while modical nien extol its virtues most extensively, using it in great quantities in the following diseases:—Cholers, Dysentery, Biarrhon, Colics, Congha, Asthma, Rheumatism, Neuralgis, Whooping Cough, Cramp Hysteris, &c.

EXTRACT=FROM MEDICAL OPINIONS. EXTRACT: FROM MEDICAL OPINIONS.

The Right Hon. Earl Russell communicated to the College of Physicians, and J. T. Davenport, that he had received in-formation to the effect that the out! remedy of any service in Cholera was CHLORODYNE.—See Lamest Bec. 31, 1862. Dr. Lowe, Medical Missionary in India, reports (Dec., 1863) that in nearly erery case of Cholera in which Br. J. COLLIS BROWNE'S CHLORODYNE was administered, the patient BROWNE'S CHLORODYNE was administered, the patient recovered.

Entract from Medical Rimes, Jan 12, 1866.—"Chlorodyne is prescribed by sources of orthodox medical practitioners. Of course it would not thus be singularly popular did it not "upply a want and fill a place."

Extract from the General Board of Health, London, as to its efficacy in Cholera.—"So strongly are we convinced of the immensace value of this remedy, that we cannot too forcibly urgs the necessity of adopting it in all cases."

CAUTION.—None genuine without the words "Dr. J. COLLIS BROWNE" on the Government Stamp, Overwhelming medical testimony accompanies each bottle.
